Senate Privately Sponsored Travel Certification Form Attachment for Travel January 7-9, 2020

13. The Leaders in Technology Program (LIT) at CES allows high level public policy makers and technologists to learn from more than 3,900 exhibitors and thousands of new products that contribute to a dynamic industry that supports an expected \$1 trillion in retail sales worldwide. The program provides information and insight to assist officials in evaluating federal policies that affect the consumer technology industry. The LIT program advances the mission of CTA to provide practical resources to help companies grow every facet of their business. CTA is where technology connects, collaborates and contributes. CTA helps companies succeed through research, events and an extensive network of councils and working groups covering everything from public policy to technology standards.

21. The expense for attendance at CES 2020 exceeds the federal per diem rate. All meals are standard conference meals, open to all Leaders in Technology participants and are held without regard to congressional participation. Price is specified by the catering service. Meal costs are fixed for all conference attendees at the negotiated rates set by the venues.

The lodging rate of \$399 also exceeds the federal rate. This is due to that fact that Las Vegas hotels are at capacity during CES. This lodging rate is available to all CES attendees and was the best available negotiated rate for this property. The hotels are chosen for the accommodation requirements for (1) a large group of over 180,000 attendees and (2) easy access to the CES show floor, conference sessions and meeting space.

Jan. 7 - Jan. 10, 2020

Dear Trevor,

You are invited to be the special guest of the Consumer Technology Association (CTA)TM at our nation's largest annual tradeshow — **CES® 2020**, to be held **Jan. 7-10, 2020** in Las Vegas, NV.

As a technology policy leader, you are invited to participate in our **Leaders in Technology (LIT)** program at CES. As a participant, you will experience firsthand the innovative consumer technology industry that drives the American economy and provides millions of U.S. jobs.

CES is the world's gathering place for all who thrive on the business of consumer technology. Featuring the largest, global hands-on showcase of emerging innovation, CES represents all aspects of the technology spectrum. As a LIT program participant you will be able to interact with cutting-edge technology such as artificial intelligence, 5G, and self-driving technology, as well as discuss the policy issues that govern such emerging technologies as part of the Innovation Policy conference program.

The program is also designed to meet the

requirements of the ethics committee of the U.S. Senate for privately-sponsored travel. Pursuant to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. Attached please find the required **Private Sponsor Certification Form and list of Senate member** invitees for your review. This form will need to accompany your request to the U.S. Senate Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today by creating an account using this email address — **trevor_dean@cortezmasto.senate.gov**. *This is a limited, non-transferable invitation and we ask that you reply by Nov. 15.* For questions, please contact **LITprogram@CTA.tech** or 703-907-7795.

We hope that you will be able to join us for the Leaders in Technology program at CES 2020—the global stage for innovation.
